

5/3/12 – Route 301 Driver Thanks

I would like to submit a compliment to one of the DART Route 301 drivers. The Thursday morning RT 301 Dover to Wilmington, I picked up at the Dover Transit Center on 4512, 41212, 41912 and 42612, the driver is either early or on time and he never leaves a stop before the designated time, he looks around and waits when he sees a driver getting out of their car heading towards the bus, which happened to me on 42812, and I really appreciated him waiting.
